

## Success Roadmap

# Guiding you to project success

"A professional analysis of your project and organisational needs."

### What is a Success Roadmap?

CoLAB offers assessments and analyses in the following areas:

- We perform a series of assessments and deliver a roadmap report of our findings
- This provides a clear outline of actionable steps and timeframes that will guarantee success
- Your requirements for a specific project
- Your organisation's on-going project resource requirements
- Your organisation's project delivery shortfalls

### What does Success Roadmap include?

- A formal needs analysis workshop is conducted
- Further consulting engagements include interviews, data reviews, readiness assessments and maturity assessments
- A comprehensive roadmap report with the findings and actionable steps to be taken is presented to your organisation

### Who is Success Roadmap for?

- Any organisation who requires an assessment or audit of their existing project management team, individual projects or projects environment
- Any organisation who requires a needs analysis for the approval of a project with an independent facilitator

### How will your business benefit?

- You will receive a step-by-step roadmap to achievable project success or resolution of project issues
- The CoLAB Success Roadmap will provide the best actionable steps for your organisation at any stage in a project or at any level of management
- We understand the nature of project capabilities and how to achieve project success in any industry or circumstances

A Success Roadmap is your starting block for project success.
